To Our Valued Customers:

I hope this email finds you well and in good health. This email is for those of you I have not met in person or had a phone conversation with.

As you may or may not know by now, IVAMS was acquired by a Texas based legal group (Inservio3/ ) and our acquisition closed December 2019. A big reason for this move was to create growth and opportunity for our neutrals, employees, and our valued clients. Inservio3/ARRAY is committed to expansion and are currently expanding into San Diego and Orange county.

The opportunity with Inservio3/  has given us forward momentum, and with the grouping of legal offerings (ADR, e-depos, e-discovery, subpoena and various trial support options) we are able to build a comprehensive team while offering our clients a turn-key legal space company.

The IVAMS name has taken us a long way and now it is time to let it go and grow.

Effective soon, the IVAMS name will disappear and we will begin branding under the name (Array). You will start getting emails from ruby.rivera@trustarray.com and carmen.rivera@trustarray.com and will begin seeing our new logo () As always, the transition will be a bit of a challenge, especially after having our identity for so many years. I hope all of you understand and take this as a positive change. I am always eager to talk with each of you and hear your concerns and excitement, so please feel free to call me Peter Eggertsen on my cell (949) 315-9985.
